

# The Parents' Guide to Google Meet

# What is Google Meet?

*Google Hangouts Meet* is an innovative tool for remote learning.

It integrates easily with *Google Classroom* by using the teacher's unique link for students to join.

# Getting Started

1

Click on the Google Meet unique link provided by your child's teacher

Example link:

<https://meet.google.com/ero-ecfj-jni>

# Getting Started

Meeting ready

[meet.google.com/ero-ecfj-jni](https://meet.google.com/ero-ecfj-jni)

Join now

Present

Other options

Join and use a phone for audio

2

Click Join now button to enter the Google Meet

# Getting Started

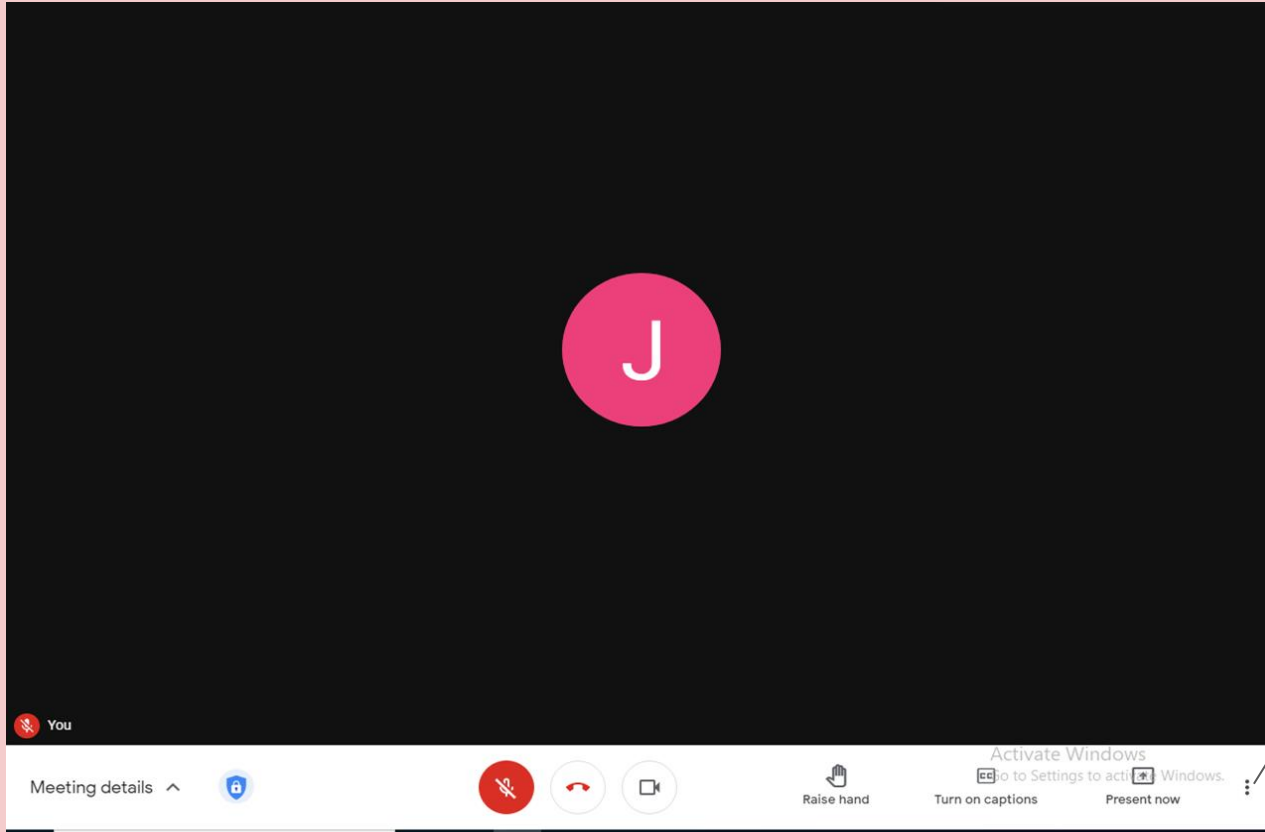

When you join the Google Meet, please make sure you have your microphone on mute.

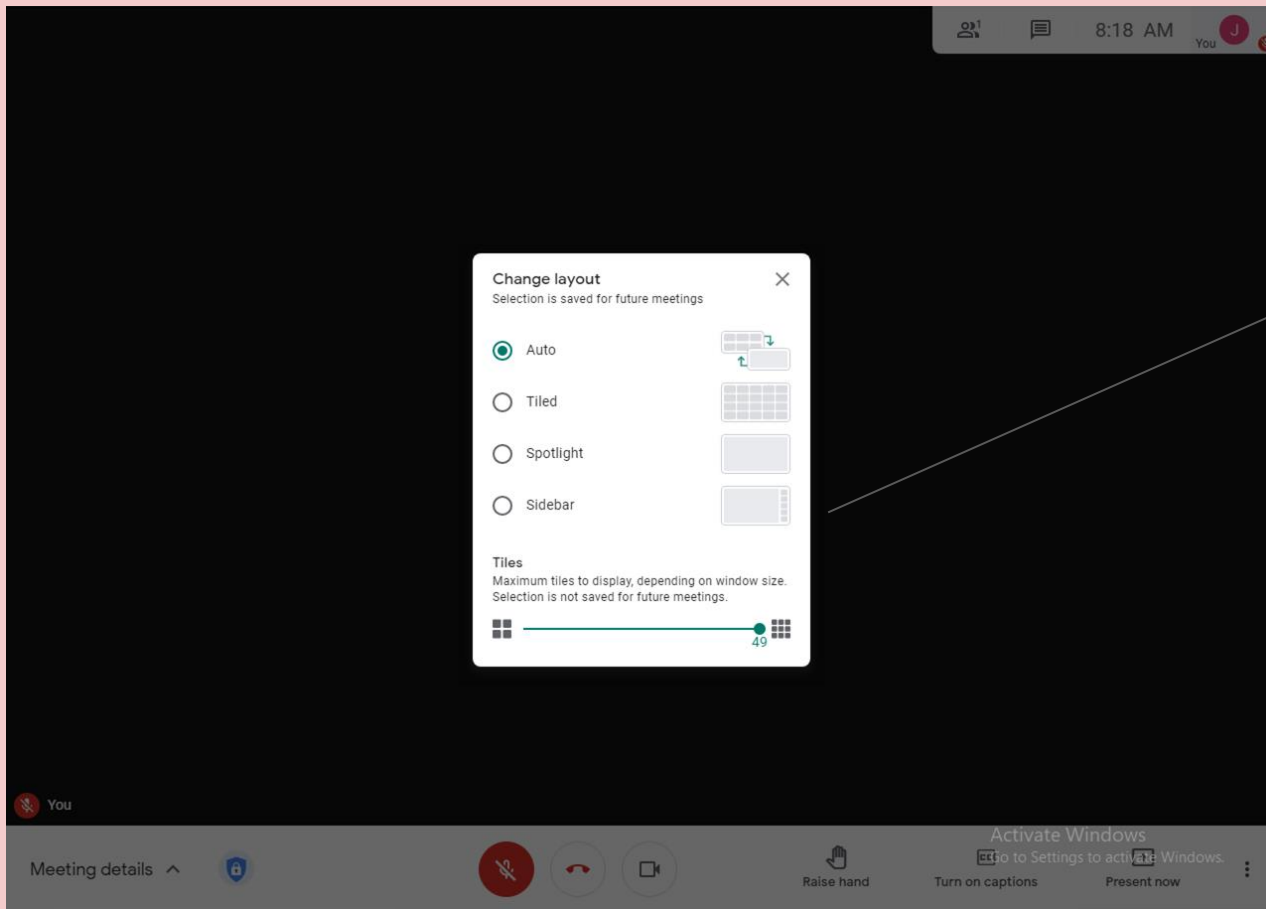

3

Use the lower audio and video controls to mute audio or turn your video view off.

The **red** phone icon removes you from the Meet

Next click the three dots in the right bottom corner.

Click change layout. Make sure the auto is on and the bar is up to 49 screens. Your child will then be able to see everyone at the same time.

***NOW YOU'LL SEE***

your teacher and  
classmates!
