

ST PAUL'S CATHOLIC PRIMARY SCHOOL

PSHE Curriculum

Intent

At St Paul's Catholic Primary School, the intent of our PSHE curriculum is to deliver a curriculum which is accessible to all, and that will maximise the outcomes for every child, so that they know more, remember more and understand more. We aim to make a real difference to children's lives, raising their own and others' aspirations, securing educational success and deepening their knowledge and love of self and others around them. We provide our children with opportunities for them to learn about rights and responsibilities and appreciate what it means to be a member of a diverse society. Our children are encouraged to develop their sense of self-worth by playing a positive role in contributing to school life and the wider community. We want our children to know their world, to keep themselves safe and healthy, to live economically, to 'set the world on fire'.
